2019-2020

- Complete SSC (79.86 PR)

OBJECTIVE

- Passionate and highly motivated React.js Developer with strong problem-solving skills and a deep understanding of JavaScript. With 9 months of hands-on experience in building interactive and efficient web applications, I am eager to contribute my expertise and drive to a dynamic development team. My objective is to leverage my powerful logic and technical skills to create innovative and user-friendly solutions while continuously enhancing my capabilities in React.js and front-end development.
